 - (b) Have completed the enrollment in 4HOnline, completed and turned in "Penn State University Youth Program Health Services Medical Treatment Authorization" form and paid the educational materials fee.
 - (c) Have attended three 4-H club meetings prior to roundup. (*exception: horse and dairy members must attend three meetings prior to Horse and Dairy Roundup*)
 - (d) Not to have the same 4-H project or exhibit in any other county.

2. **All 4-H Building projects, except cakes and other baked goods,** must be entered between 10:00am and 8:00pm on **Thursday, August 12th**. ALL cake decorating projects and food and nutrition baked goods are to be entered on **Saturday, August 14th** between 1:00pm and 4:00pm.

3. The 4-H Roundup judging for all "4-H Building Projects" will be held on Friday, August 13th and Saturday, August 14th (for cakes and baked goods). All entries will be judged according to the Danish System: *Excellent - Blue ribbon, Good - Red ribbon, Fair - White ribbon*. There may be Grand and Reserve Champion awards given. Cloverbud projects will receive green participation ribbons.

4. Members **4-H age fourteen (14) and up will be judged in the Senior Category. Thirteen (13) and under will be judged in the Junior Category** for projects entered in the 4-H Project Roundup. **Note:** *For Fashion Revue, 4-H age is 13 and up in the senior category; 12 and under will be in the junior category.*

5. POSTERS AND/OR DISPLAYS related to the activities members have completed are always welcome for all projects whether or not it is indicated under the individual project headings. Posters may be on a full-size poster board (22" X 28"), half size poster board (14" X 22"), or on a cardboard tri-fold display (please refrain from using thick foam board), unless otherwise indicated in the project area. ALL POSTERS AND DISPLAYS must have the 4-H'ers name, 4-H age, club name, and project they go with clearly indicated on the item. **(Please note: posters taken to the PA Farm Show are limited to a 14" X 22" size).**

6. Projects in the 4-H building may be picked up and removed from exhibit between **9:00pm and 10:00pm on Saturday, August 21** or between **10:00am and 1:00pm on Sunday, August 22**. These are the **only times** for building projects to be picked up. Remaining projects will be held for pick up at the Extension Office.

7. 4-H Club members may be eligible to exhibit in the open classes of the Harford Fair. When 4-H Club members exhibit in the open classes, they must meet requirements as stated for the open class. Entries must be made on the Harford Fair website at harfordfair.com or paper copies may be found in the Harford Fair Book. **Open fair entries must be submitted to the Harford Agricultural Society by August 1st**. Entries may have an entry fee or housing charge.

8. **Each 4-H Club is encouraged to enter at least one of the classes below.**
 - **BANNERS** - All 4-H Club Banners will be displayed in the 4-H Building. Banners should be 24" x 36" (horizontal or vertical format). It is preferable that banners be made by members, parents, or leaders; not by professionals. Clubs are welcome to create new banners every year. **Banners are judged just once and should be exhibited in future years.**
 - **COMMUNITY SERVICE DISPLAY**- showcase one or more community service projects that the club has completed on a tri-fold display.
 - **CLUB EXHIBIT/SCRAPBOOK**- design a tri-fold display board or scrapbook that represents the projects your club members have worked on this year.

DIVISION 1 - Cloverbud Projects (ages 5-7)

DIVISION 2 – Animal Science

Section 1 - 4-H DAIRY – CALF/HEIFER/COW

The 4-H Dairy Roundup will be held on Saturday, July 31st at the Harford Fair Grounds at 9:00am.

All 4-H Dairy members will receive a copy of the class list and show regulations. The show will consist of classes that qualify animals to participate at the District 4-H Dairy Show and the PA Jr. Dairy Show. All health rules apply, and animals must be accompanied by a *Certificate of Veterinary Inspection*. Registration papers must accompany all purebred animals.

Dairy Project Books

New for 2021: For all levels, members must complete appropriate Penn State project records for each project animal taken. Books can be completed in paper form or completed digitally through zSuite enrollment system. If completing digitally, member will be responsible for printing completed book to submit for judging.

Paper project books must be brought to County Roundup. The books will be checked the night before the County Roundup by a leader in the 4-H member's club, results recorded and turned into the 4-H Educator on the evening before Roundup. Books must be up-to-date as of show date and pages 1-13 must be started. 4-H dairy project members who do not have satisfactory up to date records will not be able to participate at Roundup.

Digital zSuite books will be reviewed by a leader of the member's club in zSuite, prior to County Roundup, results recorded and turned into the 4-H Educator on the evening before Roundup. Digital books must be up-to-date as of show date and Member Info, Project Planning, Animal Information, Care and Management, Growth Chart, Breeding and Calving, Lactation Production, Health Treatment, and Feed Record tabs must be started. 4-H dairy project members who do not have satisfactory up to date records will not be able to participate at Roundup.

Dairy Project Book Requirements for Completion- Pages 1-6 (zSuite tabs: Member Info, Project Planning, Animal Information) and pages 11-23 (zSuite tabs: Breeding and Calving Record, Lactation Production Summary, Health Treatment Record, Feed Records, Miscellaneous Expenses, Miscellaneous and Show Ring Income, Biosecurity Practices, Biosecurity Log, Project Financial Summary, Accomplishments, Project Story, Photos, Project Evaluation, 4-H Activities Report) are required one time only per 4-H activity year. Pages 7-10 are required for EACH animal relative to their age. Supplemental sheets can be provided for extra animal records or you can make your own copies. Growth and weight records are for heifers. Breeding records are for older heifers and cows. Milk records are for lactating animals. Project books need to be all completed to include awards received and turned into club leaders by September 23, 2021, for scoring. Starting date for project books is October 1st or as soon after that date the project animal is selected, and ending date will be the following September 23rd. A 4-H leader in each club will submit all books and select the top (3) rookie, (3) junior, (3) intermediate, and (3) senior project books to the Extension Office where, from all books turned in, the top two or three books in each category will be selected and receive monetary awards at 4-H Achievement Night. If a member does not have his or her project book turned into their 4-H leader on or before September 23rd they will be ineligible to show the following project year. If completing a digital record book in zSuite, it will be the member's responsibility to print their project book to turn in a paper copy to their 4-H leader by September 23rd.
