**ENTRY DEADLINE – AUGUST 1, 2022**

**The General Rules will apply to all areas of the Harford Fair, including the fairgrounds, parking lots, and all camping areas.**

1. All exhibitors, vendors, or any person entering the fairgrounds agree to be bound by the Rules and Regulations of the Harford Agricultural Society.
2. Entries will be made according to classification by the deadline of August 1<sup>st</sup>. Please use the Department, Section, and Class symbols as printed in the Premium Book to insure proper entry.
3. It shall be the responsibility of the exhibitor to make known the proper name of the article or breed of livestock being entered. Any item entered improperly will be subject to disqualification from receiving a prize. The registration name and number of all purebred stock must be included on the entry blank.
4. Refer to specific department and section for information regarding entry drop off times and pick up times.
5. Superintendents of a Department reserve the right of refusing to accept any entry of decidedly inferior quality or not possessing sufficient merit to warrant recognition. Any exhibit found to be plagiarized will be removed, stripped of awards, and no premiums will be awarded.
6. The Harford Agricultural Society may at any time order the removal of any exhibit or part of exhibit in bad taste, bad conditions or unfit to show. The Harford Agricultural Society reserves the right to eject any person from the Fairgrounds who does not comply with fair rules or is creating a disturbance of any kind. Such persons may be denied the privilege of entering in the future.
7. No literature may be distributed, or placards carried around the grounds. Advertising must be confined to commercial space rented.
8. No unauthorized people will be allowed in the arena at any time.
9. All entries must be owned, grown, produced, or made by the exhibitor since last year's fair, except where noted. Exhibitors who are residents of Susquehanna County or adjoining counties will be given priority, if space is a problem.
10. No animal or article will be judged unless there is a regular entry tag attached to the exhibit and/or cataloged.
11. Except for poultry buildings and livestock arenas, all buildings are to be closed during judging. Only Fair officials, judges, and necessary attendants will be allowed in the buildings. Buildings will be open to the public at 10am each day of the fair.
12. The judges may withhold or award second place premiums when the animals or articles are not worthy, even though there is no competition.
13. All exhibits, including livestock, **MUST** remain in place until 11pm Saturday, August 20<sup>th</sup>, unless given special permission by the Superintendent of the Department. Failure to abide by this rule will result in the forfeiture of all premiums awarded by the judges and may prevent future entries by the exhibitor. Exhibits may be picked up on Sunday, August 21<sup>st</sup> from 8:00am to 2:00pm.
14. A sufficient security force will be present during the entire Fair to protect all exhibits and displays from injury or damage. However, the Harford Agricultural Society is not in any way to be held responsible for accidents, loss, or damage by water, fire, theft, or otherwise.
15. The decision of the judges shall be final in all cases except where mistakes, fraud, misrepresentation, or collusion is proved. In such cases, the superintendent would take it to the board and with their collaboration, would make a decision.
16. All exhibitors must have admission passes before entering the grounds during the fair.
17. Premiums will be paid by October 1 by the Treasurer. All awards are made from the Judge's books. Premium checks must be cashed before October 31. No checks will be honored after this date and will be considered a donation.
